

We are so thrilled to announce our first ONSITE events since the pandemic situation!

Whether you are a conference veteran or a first-time attendee, we are delighted to welcome you to the CONNECT Project Multiplier Events.

Events that will challenge you to meet like-minded individuals and find solutions that could improve the health and lives of people of all ages. This competition among student teams from a range of disciplines encourages a new generation of health innovators.

Book your spot to the upcoming events in Romania and Portugal:

Cluj-Napoca, ROMANIA

The **eHealth Networking Days Hackathon** will take place on **May 20-21**, aiming to educate and inspire university students to find simple and efficient solutions to Europe's Latest Digital Health and Care challenges. This is your chance to grow your professional network, so hit the **REGISTER** button until 10th of May!

Porto, PORTUGAL

The **Digital Health Day** is a conference organized under the CONNECT project to promote the sharing and discussion of topics within the scope of digital transformation, innovation and sustainability in health. The event, aimed at professionals and students in the fields of health, social sciences and information technology, takes place on **June 2nd** from 8:30 am to 4:30 pm, at the Noble Hall of the Faculty of Pharmacy of the University of Porto. Don't miss the chance and hit the **REGISTER** button here!
